#### What is the policy for personal visitors at ISN?

As a general rule, visitors are allowed at ISN to support ISN events (PTA members, visiting speakers...) or after obtaining authorization from the SLT. To avoid confusion or misunderstanding, the employee responsible for the visitor must also inform reception and security guards. Common areas, such as lobbies, may be open to visitors. We advise our employees to only permit visitors in these areas for a short time and for specific reasons. Employees are responsible for accompanying any of their underage visitors at all times. The students' bathrooms should not be used by visitors. Visitors should not interact with our students unless invited to do so and always under supervision.

## **Contractors and service vendors**

Contractors, suppliers and service vendors, such as IT technicians and plumbers, can enter our premises only to complete their job duties. Front-desk employees are responsible for providing contractors and vendors with badges and for instructing them to wear those badges at all times on our premises.
